DentaQuest Outline Of Coverage

January 1, 2024

[LOGO]

96 Worcester Street
Wellesley Hills, MA 02481

DentaQuest Individual Dental Plan OUTLINE OF COVERAGE

This Outline of Coverage provides a brief description of some important features of the individual dental policy. This is not the insurance policy and only the actual policy provisions will control. The policy itself sets forth, in detail, the rights and obligations of both the covered individual and the insurance company. It is, therefore, important to **READ THE POLICY CAREFULLY**.

This is not a Medicare Supplement policy. If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from the company.

BENEFITS: The individual dental policy is designed to provide coverage for covered dental services, subject to all conditions, limitations, exclusions and maximums set forth in the policy.

COVERED DENTAL SERVICES

The following list of benefits applies only to Members under age nineteen (19).

DIAGNOSTIC AND PREVENTIVE SERVICES

Benefits are available for the following dental services to diagnose or to prevent tooth decay and other forms of oral disease. These dental services are what most Members receive during a routine preventive dental visit. Examples of these services include:

Comprehensive oral examination (including the initial dental history and charting of teeth); once every six months.

Periodic exam; once every six (6) months.

X-rays of the entire mouth; once every sixty (60) months.

Bitewing x-rays (x-rays of the crowns of the teeth); once every six (6) months when oral conditions indicate need. Single tooth x-rays; as needed.

Study models and casts used in planning treatment; once every sixty (60) months.

Routine cleaning, scaling and polishing of teeth; Once every six (6) months.

Fluoride treatment Topical Fluoride - Varnish - 2 every 12 months, Topical application of fluoride (excluding prophylaxis) - 2 every 12 months.

Space maintainers required due to the premature loss of teeth; not for the replacement of primary or permanent anterior teeth.

Sealants on unrestored permanent molars. 1 sealant per tooth every 36 months.

Palliative (emergency) treatment of dental pain – minor procedures.

RESTORATIVE AND OTHER BASIC SERVICES

Benefits are available for the following dental services to treat oral disease including: (a) restore decayed or fractured teeth; (b) repair dentures or bridges; (c) rebase or reline dentures; (d) repair or recement bridges, crowns and onlays; and (e) remove diseased or damaged natural teeth. Examples of these services include:

Fillings consisting of silver amalgam and (in the case of front teeth) synthetic tooth color fillings. However, synthetic (white) fillings are limited to single surface restorations for posterior teeth. Multi-surface synthetic restorations on posterior teeth will be treated as an alternate benefit and an amalgam allowance will be allowed. The patient is responsible up to the dentist's charge.

Periodontal maintenance, including cleaning and scaling and root planing procedures, following active periodontal therapy; 4 in 12 months. Periodontal scaling and root planing; once every twenty-four (24) months per quadrant.

Protective restorations.

Stainless steel crowns. Once per tooth per sixty (60) months.

Simple tooth extractions.

General anesthesia only when necessary and appropriate for covered surgical services only when provided by a licensed, practicing dentist.

Consultations.

Repair of dentures or fixed bridges. Recementing of fixed bridges.

Rebase or reline dentures; once every thirty-six (36) months. 6 months after initial installation.

Tissue conditioning.

Repair or recement crowns and onlays.

Adding teeth to existing partial or full dentures.

Certain surgical services to treat oral disease or injury. This includes surgical tooth extractions and extractions of impacted teeth.

Vital pulpotomy and pulpal therapy is limited to deciduous teeth.

COMPLEX AND MAJOR RESTORATIVE DENTAL SERVICES

Benefits are available for the following dental services and supplies to treat oral disease including: replace missing natural teeth with artificial ones; and restore severely decayed or fractured teeth. Examples of these services include:

Periodontal services to treat diseased gum tissue or bone including the removal of diseased gum tissue (gingivectomy) and the removal or reshaping of diseased bone (osseous surgery). Periodontal benefits are determined according to our administrative "Periodontal Guidelines."

Endodontic services for root canal treatment of permanent teeth including the treatment of the nerve of a tooth, and the removal of dental pulp.

Inlays are paid as an alternative benefit of amalgam.

Implants- once every 60 months.

Dentures and Bridges

- Complete or partial dentures and fixed bridges including services to measure, fit, and adjust them; once each sixty (60) months.
- Replacement of dentures and fixed bridges, but only when they cannot be made serviceable and were inserted at least sixty (60) months before replacement.

Crowns and Onlays. Once per tooth per sixty (60) months, but only when the teeth cannot be restored with the fillings due to severe decay or fractures:

- Initial placement of crowns and onlays.
- Replacement of crowns and onlays; once each sixty (60) months per tooth.

ORTHODONTIC SERVICES

Orthodontic services for members who have a severe handicapping malocclusion or special medical conditions including cleft palate, post-head trauma injury involving the oral cavity, and/or skeletal anomalies involving the oral cavity.

The following list of benefits applies to Members age 19 and over.

DIAGNOSTIC AND PREVENTIVE SERVICES

Benefits are available for the following dental services to diagnose or to prevent tooth decay and other forms of oral disease. These dental services are what most Members receive during a routine preventive dental visit. Examples of these services include:

Comprehensive oral examination (including the initial dental history and charting of teeth); once every sixty (60) months.

Periodic exam; twice every calendar year.

X-rays of the entire mouth; once every sixty (60) months.

Bitewing x-rays (x-rays of the crowns of the teeth); one set twice every calendar year.

Single tooth x-rays; as needed.

Routine cleaning, scaling and polishing of teeth; twice every calendar year.

RESTORATIVE AND OTHER BASIC SERVICES

Benefits are available for the following dental services to treat oral disease including: (a) restore decayed or fractured teeth (note: teeth must have a good prognosis to qualify for benefits); (b) repair dentures or bridges; (c) rebase or reline dentures; and (d) repair or recement bridges, crowns and onlays. Examples of these services include:

Fillings consisting of silver amalgam and (in the case of front teeth) synthetic tooth color fillings, but limited to one filling for each tooth surface for each twenty-four (24) month period. However, synthetic (white) fillings are limited to single surface restorations for posterior teeth. Multi-surface synthetic restorations on posterior teeth will be treated as an alternate benefit and an amalgam allowance will be allowed. The patient is responsible up to the dentist's charge. No benefits are provided for replacing a filling within twenty-four (24) months of the date that the prior filling was furnished.

Protective restorations; once per tooth every sixty (60) months.

Simple tooth extractions.

General anesthesia only when necessary and appropriate for impacted wisdom teeth removal only when provided by a licensed, practicing dentist.

Repair of dentures or fixed bridges; once every twelve (12) months.

Recementing of fixed bridges; once each twelve (12) months.

Rebase or reline dentures; once every thirty-six (36) months.

Tissue conditioning; two treatments every thirty-six (36) months.

Repair or recement crowns and onlays. Recementing is limited to once every twelve (12) months per tooth.

Adding teeth to existing partial or full dentures; once per tooth every twelve (12) months.

Palliative (emergency) treatment of dental pain – minor procedures; three (3) times every calendar year.

COMPLEX AND MAJOR RESTORATIVE DENTAL SERVICES

Benefits are available for the following dental services and supplies to treat oral disease including: replace missing natural teeth with artificial ones; remove diseased or damaged natural teeth; and restore severely decayed or fractured teeth. Examples of these services include:

Certain surgical services to treat oral disease or injury. This includes surgical tooth extractions and extractions of impacted teeth. Additional oral and maxillofacial surgery services include tooth reimplantation, biopsy of oral tissue, alveoplasty and vestibuloplasty.

Periodontal services to treat diseased gum tissue or bone including the removal of diseased gum tissue (gingivectomy) and the removal or reshaping of diseased bone (osseous surgery). One quadrant of periodontal surgery every thirty-six (36) months. Scaling and root planing once per quadrant every twenty-four (24) months. Periodontal benefits are determined according to our administrative “Periodontal Guidelines.”

Periodontal maintenance, including cleaning and scaling and root planing procedures, following active periodontal therapy; once per three months when preceded by active periodontal therapy; not to be combined with regular cleanings.

Endodontic services for root canal treatment once per permanent tooth including the treatment of the nerve of a tooth, the removal of dental pulp, and pulpal therapy. Vital pulpotomy is limited to deciduous teeth.

Dentures and Bridges

- Complete or partial dentures and fixed bridges including services to measure, fit, and adjust them; once every sixty (60) months.

- Replacement of dentures and fixed bridges, but only when they cannot be made serviceable and were inserted at least sixty (60) months before replacement.
- Temporary partial dentures as follows:
 - To replace any of the six (6) upper or lower front teeth, but only if they are installed immediately following the loss of teeth during the period of healing.

Crowns and Onlays

Crowns and onlays as follows, but only when the teeth cannot be restored with the fillings due to severe decay or fractures (note teeth must have good prognosis to qualify for benefits):

- Initial placement of crowns and onlays.
- Replacement of crowns and onlays; once every sixty (60) months per tooth.

Limitations and Exclusions

1. BENEFITS ARE PROVIDED ONLY FOR NECESSARY AND APPROPRIATE SERVICES

We will not provide benefits for a dental service that is not covered under the terms of the Policy. We will not provide benefits for a covered dental service that is not necessary and appropriate to diagnose or to treat your dental condition. We will not cover experimental care procedures that have not been sanctioned by the American Dental Association and for which no procedure codes have been established.

A. To be necessary and appropriate, a service must be consistent with the prevention of oral disease or with the diagnosis and treatment on (1) those teeth that are decayed or *fractured* or (2) those teeth where supporting periodontium is weakened by disease in accordance with standards of good dental practice not solely for your convenience or the convenience of your dentist.

B. Who determines what is necessary and appropriate under the terms of the Policy: That decision is made based on a review of dental records describing your condition and treatment. We may decide a service is not necessary and appropriate under the terms of the Policy even if your dentist has furnished, prescribed, ordered, recommended or approved the service.

2. WE DO NOT PROVIDE BENEFITS FOR:

The following list of limitations and exclusions apply to covered individuals under age nineteen (19).

- Experimental care procedures that have not been sanctioned by the American Dental Association, or for which no procedure codes have been established.
- A service or procedure that is not described as a benefit in this Subscriber Certificate.
- Travel time and related expenses.
- An illness or injury that arose out of and in the course of your employment.
- A service for which you are not required to pay, or for which you would not be required to pay if you did not have coverage under this Subscriber Certificate.
- A method of treatment more costly than is customarily provided. Benefits will be based on the least costly method of treatment.
- A separate fee for services rendered by interns, residents, fellows or dentists who are salaried employees of a hospital or other facility.
- Appointments with your dentist that you fail to keep.
- A service rendered by someone other than a licensed dentist or a hygienist who is employed by a licensed dentist.
- Prescription drugs.
- A service to treat disorders of the joints of the jaw (temporomandibular joints), except for covered medically necessary orthodontics for individuals under age 19.
- Services that are meant primarily to change or to improve your appearance.
- Repair or reline of an occlusal guard.
- Transplants.
- Replacement of dentures, bridges, space maintainers or periodontic appliances due to theft or loss.
- Lab exams.
- Photographs.
- Duplicate dentures and bridges.
- Services related to congenital anomalies unless otherwise covered. However, this exclusion does not apply to covered orthodontic services.
- Occlusal adjustment.
- Dietary advice and instructions in dental hygiene including proper methods of tooth brushing, the use of dental floss, plaque control programs and caries susceptibility tests.
- Service, supply or procedure to increase the height of teeth (increase vertical dimension) or restore occlusion.
- Services, supplies or appliances to stabilize teeth when required due to periodontal disease such as periodontal splinting.
- Tooth bleach.
- Computerized tomography (CT) scans, surgical stents, surgical guides for implants.
- Transitional implants.
- Bone grafts and guided tissue regeneration in conjunction with extractions, apicoectomies, root amps, ridge augmentations and dental implant placements.
- Sinus lifts.
- Treatment of dental implant failures including surgical debridement and bone grafts to repair

- implant.
- Cone Beam Imaging and Cone Beam MRI procedures.
 - Nitrous oxide.
 - Oral sedation.
 - Topical medicament center.

The following list of limitations and exclusions apply to covered individuals age 19 and over.

- Experimental care procedures that have not been sanctioned by the American Dental Association, or for which no procedure codes have been established.
- A service or procedure that is not described as a benefit in this Subscriber Certificate.
- Travel time and related expenses.
- An illness or injury that arose out of and in the course of your employment.
- A service for which you are not required to pay, or for which you would not be required to pay if you did not have coverage under this Subscriber Certificate.
- An illness, injury or dental condition for which benefits in one form or another are covered, in whole or in part, through a government program. A government program includes a local, state or national law or regulation that provides or pays for dental services. It does not include Medicaid or Medicare.
- A method of treatment more costly than is customarily provided. Benefits will be based on the least costly method of treatment.
- A separate fee for services rendered by interns, residents, fellows or dentists who are salaried employees of a hospital or other facility.
- Appointments with your dentist that you fail to keep.
- A service rendered by someone other than a licensed dentist or a hygienist who is employed by a licensed dentist.
- Prescription drugs.
- A service to treat disorders of the joints of the jaw (temporomandibular joints).
- Services that are meant primarily to change or to improve appearance.
- Implants.
- Transplants.
- Replacement of dentures, bridges, space maintainers or periodontic appliances due to theft or loss.
- Lab exams.
- Photographs.
- Duplicate dentures and bridges.
- Services related to congenital anomalies unless otherwise covered. However, this exclusion does not apply to any covered orthodontic services.
- Consultations.
- Tooth bleach.
- Computerized tomography (CT) scans, surgical stents, surgical guides for implants.
- Transitional implants.
- Bone grafts and guided tissue regeneration in conjunction with extractions, apicoectomies, root amps, ridge augmentations and dental implant placements.
- Sinus lifts.

- Treatment of dental implant failures including surgical debridement and bone grafts to repair implant.
- Veneers.
- Occlusal guards.

RENEWABILITY

The Policy is renewable. The Policy renews January 1 of each year subject to our right to cancel or nonrenew the policy for the following reasons as further described in the Policy: (a) fraudulent claims or material misrepresentations to us or to any dentist; (b) nonpayment of your subscription charges; (c) fraudulent or unethical dealings with us; or (d) if we discontinue a particular product or all coverage in the individual market in Texas in accordance with Texas law.

PREMIUM

We reserve the right to change premium rates upon renewal of the Policy. If we do raise the premium rates, than at least 60 days prior to the renewal date, we will send written notice to the last known address shown on record.

The initial premium for the Policy is ¹
