

Introducing Real-time Coverage Estimates

We're brightening and whitening the portal experience to bring a real-time smile to your day!

Why not put it into practice today?

Get on-demand eligibility and benefit information.

You'll have access to non-binding pricing that's based on the most up-to-date information possible.

Once you've registered for the new portal, head over to the "Resources" tab and look for the "Real-time Coverage Estimate Tutorial."

(You'll be glad you did—and your patients will be, too.)
