## Coverage Summary

Coverage type	Calendar year deductible	DentaQuest will pay*
Diagnostic and preventive services	None	100%
Restorative and other basic services	\$50 per member/\$150 per family	80%
Complex dental services	\$50 per member/\$150 per family	50%
Orthodontics	None	50% under 19, no coverage 19 and older

**Waiting Period:** For Covered Individuals age 19 and older, Restorative, other Basic Services are subject to a six (6) month waiting period. Complex Dental Services are subject to a twelve (12) month waiting period.

\*Note: DentaQuest will pay the same percentage of the allowable charges for covered services received in and out of network. If you choose to see a non-contracting dentist (out of network), you will be responsible for the difference between the plan's allowable charges (what contracting dentists receive for payment from DentaQuest) and the dentist's usual and customary fees (what the dentist charges patients).

### Is there an out-of-pocket maximum?

For members under 19, the maximum out of pocket expense is \$350 for each calendar year. A family with two or more members under 19 will have an aggregate maximum out of pocket expense of \$700 for each calendar year.

### What are my annual limits and maximums?

For members 19 and over, the total benefits are limited to a maximum of \$1,500 for each calendar year.

### Do I have out of network coverage?

Yes, DentaQuest will pay the same percentage for covered services received in and out of network. But if you choose to see a non-contracting dentist (out of network), you will be responsible for the difference between the plan's allowable charges (what contracting dentists receive for payment from DentaQuest) and the dentist's usual and customary fees (what the dentist charges cash-paying patients). This means that you'll save more by receiving care from a contracting dentist.

The information on this coverage summary should be used only as a guideline for your dental benefits plan. For detailed information on your group's plan, riders, terms and conditions, or limitations and exclusions, refer to your plan's Subscriber Policy, which is available at [www.dentaquest.com/marketplace/TX](http://www.dentaquest.com/marketplace/TX). If you receive a treatment after you have exhausted your maximum or if you receive a treatment that will cause you to exceed your maximum, you may be billed at the dentist's normal rate rather than DentaQuest's negotiated rate.
