Part IV Other Contract Provisions

1. BENEFIT PAYMENTS FOR SERVICES BY A *PARTICIPATING DENTIST*

The amount if any, that you may be required to pay your *Participating Dentist* is explained in the *Schedule of Benefits*. Payments are made directly to *Participating Dentists* from *the Plan*. No benefits are provided under this Policy for services rendered by a non-participating dentist other than as specified in Section 5 of this Part IV, below, except that *the Plan* agrees to directly reimburse you up to a maximum of \$50 for an *Out of Area Emergency* as defined in this Policy, less any applicable cost-sharing requirements.

To find out if a dentist participates with *the Plan* ask the dentist if he or she has an agreement with us, call our Customer Service department at 1-877-453-8429, or visit our website at <http://www.dentaquest.com/state-plans/regions/mid-atlantic/find-a-dentist/>.

2. WHEN YOUR *PARTICIPATING DENTIST* MAY CHARGE YOU MORE

When your *Participating Dentist* provides covered services, he or she must accept the *Fee Schedule* amount as payment in full. But in the following cases you will be responsible for the difference between *the Plan* payment and the dentist's actual charge for covered services:

- A. If you have received the maximum benefit allowed for services. For example, the maximum dollar amount for a *covered individual* in a calendar year, including the service that caused you to reach the maximum.
- B. If you and your dentist decide to use services that are more expensive than those customarily furnished by most dentists, benefits will be provided towards the service with the lower fee.
- C. If, for some reason, you receive services from more than one dentist for the same dental procedure or receive services that are furnished in a series during a planned course of treatment. In such a case the total amount of your benefit will not be more than the amount that would have been provided if only one dentist had furnished all the services.

3. PRE-TREATMENT ESTIMATES

If your dentist expects that dental treatment will involve a series of covered services (over \$600), he or she should file a copy of the treatment plan with *the Plan* BEFORE these services are rendered to a *covered individual*. A treatment plan is a detailed description of the procedures that the dentist plans to perform and includes an estimate of the charges for each service.

Upon receipt of the treatment plan, we will notify you and your dentist about the maximum extent of your benefits for the services reported.

IMPORTANT NOTE: Pre-treatment estimates are calculated based on current available benefits and the patient's eligibility. Estimates are subject to modification and eligibility that applies at the time services are completed and a claim is submitted for payment. The pre-treatment estimate is NOT a guarantee of payment or a preauthorization.

4. WHEN YOUR *PARTICIPATING DENTIST* IS TERMINATED

If the *Participating Dentist* is terminated for any reason other than fraud, patient abuse, incompetency or loss of license status, he/she shall continue to provide dental services to complete the procedure(s) in progress for at least ninety (90) days from the date of notice of termination, as if his/her *Participating Dentist Contract* with *the Plan* was still in effect. *The Plan* will compensate the dentist for such services in accordance to the terms set forth in the *Participating Dentist Contract*.

If the *Participating Dentist* terminates the *Participating Dentist Contract*, the *Participating Dentist* shall continue to provide, for at least ninety (90) days after the date of notice of termination to *the Plan*, dental care services to a *covered individual* of *the Plan* for whom the *Participating Dentist* was responsible for the delivery of dental care services prior to the notice of termination.

5. REFERRALS TO SPECIALISTS

A *covered individual* may request a referral to a specialist who is a *Non-participating Dentist* if a.) a *covered individual* is diagnosed with a condition or disease that requires specialized dental care; and b.) *the Plan* has not contracted with a specialist with the professional training and expertise to treat the condition or disease; and, c.) the specialist agrees to be reimbursed the same allowed benefit as would be provided to a specialist who is a *Participating Dentist*.

If a *Participating Dentist* refers the *covered individual* to a specialist who is not a *Participating Dentist* for dental services that are covered under the Policy, *the Plan* will be responsible for payment of the specialist's charges that exceed the co-payment specified in the Policy.

6. WHEN YOUR COVERAGE BEGINS

The dental services described in this Policy are covered as of your *effective date*.

7. DENTAL RECORDS AND/OR OTHER RELEVANT RECORDS

When you submit a claim for benefits under this Policy, we may request that you provide us the right to obtain all dental records and/or other related information that we need for claims processing purposes in order to make payment on the claim. This information will be kept strictly confidential and is subject to federal and state privacy and confidentiality regulations.

Participating Dentists have agreed to give us all information necessary to determine your benefits under this Policy and have agreed not to charge for this service.

A complete record of the claims experience under the Policy shall be provided, upon request. This record shall be made available not less than thirty (30) days prior to the date upon which premiums or contractual terms of the Policy may be amended.

8. PREMIUMS

The amount of money that you are responsible for paying to *the Plan* for your benefits under this *Agreement* is called your premium. We will send you a notice at least sixty (60) days before any change in your premium goes into effect. Premiums will not change more than once every twelve (12) months. We may not change your premium until the present Schedule of Benefits under this Policy has been in effect for twelve (12) months.

9. WHEN YOUR COVERAGE ENDS

A *covered individual* will not be eligible for coverage when any of the following occurs:

- A. Your dependent child under your *family coverage* attains the limiting age for coverage (please see Part 1 for the definition of Family Coverage and eligibility requirements for dependents).
- B. If you become divorced or legally separated, your spouse's coverage under existing *family coverage* will continue so long as you remain a *subscriber* of *the Plan* and a court judgment provides for such coverage. This coverage will continue until either you or your spouse remarries, or until the date of coverage termination stated in the judgment of divorce or separation, whichever is earlier. If you remarry and your divorce judgment so provides, your former spouse will have the right, for an additional premium, to continue to receive such benefits as are available to you by means of the issuance of a separate premium at a single rate under *the Plan*.

10. TERMINATION OF A POLICY

A. CANCELLATION BY INSURED

You may cancel your Policy for any reason.

The following termination rules apply when you cancel coverage obtained through the *Exchange*.

1. If you provide us with notice at least fourteen (14) days prior to the proposed effective date of termination, the last day of coverage is the termination date specified by you in the notice of termination.
2. If you provide us with notice less than fourteen (14) days prior to the proposed effective date of termination, the last day of coverage is the date determined by us, if we are able to effectuate termination in fewer than fourteen (14) days and you request an earlier termination effective date. If we are unable to effectuate termination in fewer than fourteen (14) days, termination will be effective fourteen (14) days from the date of notice. If you are newly eligible for Medicaid or a Children's Health Insurance Program, the last day of coverage is the day before such coverage begins.

The following termination rules apply if coverage is obtained other than through the *Exchange*.

1. You may cancel this Policy at any time by written notice delivered or mailed to us effective upon receipt or on such later date as may be specified in the notice. In the event of cancellation, we shall return promptly the unearned portion of any premium paid. The earned premium shall be computed

pro rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

2. If you cancel your Policy, you must wait at least one year after your cancellation before you can enroll again as a *subscriber*.

B. CANCELLATION BY THE PLAN

We may, upon thirty (30) days notice to *you*, cancel your Policy under any of the following circumstances:

1. Subject to the Time Limitation on Certain Defenses provision set forth in Item 13 and subject to the appeals process in this Policy, if you make any fraudulent claim or a fraudulent misrepresentation or intentional misrepresentation of material fact to us or to any dentist, material misrepresentation to us or to any dentist, such as an incorrect or incomplete statement on your application, which led us to believe you were eligible for this coverage when in fact you were not. In such a case, cancellation will be as of your *effective date*. We will refund you the premiums you have paid us. We will subtract from the refund any payments made for claims under this Policy. If we have paid more for claims under this Policy than you have paid us in premium, we have the right to collect the excess from you.
2. If you have not paid your premium, subject to the Grace Period provision under Section 14 under this Part IV.
3. If we discontinue a particular product or all coverage in the individual market in Virginia.

If coverage is obtained through the *Exchange*, terminations will be initiated by the *Exchange*, except for terminations for nonpayment of premium which will be initiated by *the Plan*.

C. CANCELLATION DUE TO LOSS OF ELIGIBILITY.

Your Policy will be canceled if you are no longer eligible because you no longer reside in Virginia. The termination date of this coverage shall be the last day of the month, at 12:01 A.M., in which we were notified of your move and for which the premium has been paid.

A Participating Dentist shall notify a covered individual of the termination of the covered individual's Policy if the covered individual visits the Participating Dentist's office when the Participating Dentist is aware that the covered individual's Policy has terminated. The Participating Dentist shall also inform the covered individual of the charge for any scheduled dental services before performing the dental services.

For information regarding benefits after cancellation, see Part IV, Section 13 of this Policy.

D. TIME AT WHICH TERMINATION TAKES EFFECT

Any termination of this Policy under paragraphs A., B. or C of this Section 10 shall take effect at 12:01 A.M. on the effective date of termination.

11. MISSTATEMENT OF AGE

If the age of the *subscriber*, or any of the *subscriber's covered dependents* has been misstated, all amounts payable under this Policy shall be such as the premium paid would have purchased at the correct age. If the age of the *subscriber* has been misstated, and if according to the correct age of the

subscriber, the coverage provided by this Policy would not have become effective or would have ceased prior to the acceptance of the premium, then the liability of *the Plan* shall be limited to the refund, upon request, of all premiums paid for the period not covered by the Policy.

12. TIME LIMIT ON CERTAIN DEFENSES

Misstatements in the application: After two years from the date of this Policy, only fraudulent misstatements in the application may be used to void the Policy or deny any claim for loss incurred (as defined in the policy) that starts after the two-year period.

13. BENEFITS AFTER CANCELLATION

If you cancel your Policy or if we cancel your Policy, no benefits will be provided for services that you receive after the cancellation date. An extension of benefits shall be provided until the completion of dental services in progress while coverage was in effect. An extension of benefits will be provided for any dental procedure begun while the *covered individual* is covered by *the Plan* if the treatment requires two (2) or more visits on separate days to the dentist's office; this extension of benefits shall continue until completion of the procedure. Orthodontic treatment begun while coverage is in effect shall be provided for at least sixty (60) days after the date coverage terminates if the orthodontist has agreed to or is receiving monthly payments, or if the orthodontist has agreed to or is receiving quarterly payments, until the end of the quarter in progress or for sixty (60) days, whichever is longer. If termination of coverage is due solely to the failure to pay the premium, an extension of benefits is not required.

If *the Plan* or the *Participating Dentist* terminates the *Participating Dentist Contract*, the *Participating Dentist* will provide orthodontic treatment begun when coverage was in effect, at the rates set forth in the *Participating Dentist Contract* and subject to the time limits set out above.

14. GRACE PERIOD

The *subscriber* shall be given a 31-day grace period for the payment of any premium falling due after the first premium during which coverage remains in effect. If payment is not received within the 31 days, coverage may be cancelled after the thirty-first day. If a *subscriber* is receiving advance payments of the premium tax credit under the ACA, and the *subscriber* has previously paid at least one full month's premium during the Benefit Year, the grace period is extended to three (3) consecutive months.

16. CONTRACT CHANGES

Any additions or changes to the Policy are allowed ONLY when they conform to our underwriting guidelines. Coverage for new spouses shall be effective from the date of marriage. Newly born children, newly adopted dependent children or grandchildren shall be covered from the moment of birth or date of adoptive or parental placement with an insured for the purpose of adoption. A minor for whom guardianship is granted by court or testamentary appointment shall be covered from the date of appointment. A child, who the court orders to be covered under a *subscriber's* dental coverage, shall be covered from the date of the order. *The Plan* must be notified of new covered dependents within thirty-one (31) days. For newborn children, notification of the birth of a newly born child and payment of the required premium must be submitted within thirty-one (31) days after the birth. Failure to notify *the Plan* of new dependents, including newborn children, within thirty-one (31) days shall result in *the Plan* never recognizing coverage for the new dependent(s) during the thirty-one (31) days; except that if you already have family coverage and another family member is added, *the Plan* requests timely notification of the additional individual to facilitate claims payments but the thirty-one (31) day deadline shall not apply.

Changes to the Policy may result in a change in your premium. If additional payments of premium are required to provide coverage for the newly dependent spouse, children or grandchildren, you must notify *the Plan* within thirty-one (31) days after the date of marriage, birth, adoption or other court order or testamentary appointment. You may be required to submit proof of the court order or relationship to *the Plan*.

17. ENROLLING DEPENDENTS

Under certain situations, dependents may be added to your coverage at anytime. Qualifying events could be a result of court order and your spouse's death. Under those circumstances, you must notify *the Plan* within seventy-two (72) days or six (6) months (only if specified below) of the qualifying event.

a. Death of Spouse – If your spouse dies, you may add your dependent child(ren) to the coverage provided under this Policy at any time and without evidence of insurability if the dependent child(ren) previously were covered under your spouse's Policy or contract. You must notify *the Plan* within six (6) months of this event.

b. Court Order – If you are required under a court order (whether from this state or another state that recognizes the right of the child to receive benefits under the *subscriber's* health coverage) to provide health coverage for a child, *the Plan* shall allow you to enroll the child under the following circumstances:

1. You shall be allowed to enroll in family members' coverage and include the child in that coverage regardless of any enrollment period restrictions.
2. If you are enrolled but do not include the child in the enrollment, we shall allow the noninsuring parent of the child, child support enforcement agency, or any other agency with authority over the welfare of the child to apply for enrollment on behalf of the child.

18. OPEN AND SPECIAL ENROLLMENT PERIODS AND PREMIUM PAYMENTS

The open and special enrollment periods and effective dates of coverage in 45 C.F.R. §§ 155.410 and

155.420 will apply with respect to enrollment through the *Exchange* or enrollment outside of the *Exchange*. Any conflict between this Section 18 and any other provision of this Policy shall be resolved in favor of this Section 18. Any conflict between this Section 18 and rules promulgated by the U.S. Department of Health and Human Services shall be resolved in favor of rules promulgated by the U.S. Department of Health and Human Services.

Special enrollment periods exist under the following circumstances:

1. A qualified individual or dependent either: (1) loses minimum essential coverage; or (2) is enrolled in any non-calendar year group health plan or individual health insurance coverage, even if the qualified individual or his or her dependent has the option to renew such coverage;
2. A qualified individual gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption or placement in foster care, or through a child support order or other court order;
3. An individual, who was not previously a citizen, national, or lawfully present individual gains such status;
4. A qualified individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the *Exchange* or the U.S. Department of Health and Human Services, or its instrumentalities, or a non-*Exchange* entity providing enrollment assistance or conducting enrollment activities, as evaluated and determined by the *Exchange*. In such cases, the *Exchange* may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction;
5. An enrollee adequately demonstrates to the *Exchange* that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;
6. An individual is determined newly eligible or newly ineligible for advance payments of the premium tax credit or has a change in eligibility for cost-sharing reductions, regardless of whether such individual is already enrolled in a qualified health plan. The *Exchange* must permit individuals whose existing coverage through an eligible employer-sponsored plan will no longer be affordable or provide minimum value for his or her employer's upcoming *Benefit Year* to access this special enrollment period prior to the end of his or her coverage through such eligible employer-sponsored plan;
7. A qualified individual or enrollee gains access to new qualified health plans as a result of a permanent move and either (i) had minimum essential coverage as described in 26 CFR 1.5000A-1(b) for one or more days during the 60 days preceding the date of the permanent move, or (ii) was living outside of the United States or in a United States territory at the time of the permanent move;
8. For coverage issued through the *Exchange*, an Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a qualified health plan or change from one qualified health plan to another one time per month;

9. A qualified individual or enrollee demonstrates to the *Exchange*, in accordance with guidelines issued by the U.S. Department of Health and Human Services, that the individual meets other exceptional circumstances as the *Exchange* may provide;
10. A qualified individual or his or her dependent is enrolled in an eligible employer-sponsored plan that is not qualifying coverage in an eligible employer-sponsored plan, as the term is defined in 45 C.F.R. § 155.300, and is allowed to terminate existing coverage
11. Loss of pregnancy related coverage;
12. Loss of medically needy coverage;
13. The *Exchange* determined that individual or dependent was not enrolled in a qualified health plan, not enrolled in the qualified health plan selected by the individual, or is eligible for, but not receiving, advance payment of premium tax credits or cost-sharing reductions as a result of misconduct of a non-exchange entity; and
14. A qualified individual who was previously ineligible for advance payments of the premium tax credit solely because of a household income below 100 percent of the FPL and who, during the same timeframe, was ineligible for Medicaid because he or she was living in a non-Medicaid expansion State, who either experiences a change in household income or moves to a different State resulting in the qualified individual becoming newly eligible for advance payments of the premium tax credit.

The Plan is required to process enrollments through the *Exchange* in accordance with 45 CFR 156.265, which requires *the Plan* to enroll an individual only if the *Exchange* notifies *the Plan* that the individual is a qualified individual as determined by the *Exchange*.

For coverage obtained through the *Exchange*, premium payments will be required to be made directly to *the Plan* in accordance with *the Plan's* available methods for payment. The first premium payment will be due prior to the effective date of coverage, and premiums will be due monthly thereafter unless a different payment interval is permitted by *the Plan*.

19. WHEN AND HOW BENEFITS ARE PROVIDED

Benefits will be provided ONLY for those covered services that are furnished on or after the *effective date* of this Policy. If before a *subscriber's effective date* he or she started receiving services for a procedure that requires two or more visits, NO BENEFITS are available for services related to that procedure.

In order for you to receive, any of the benefits for which you may have a right, you must inform your dentist that you are a *covered individual* and supply him or her with your *subscriber* identification number and any necessary information needed to file your claim. If you fail to inform your dentist within fifteen (15) months after the services are rendered, we will no longer be obligated to provide any benefits for those services.

20. WE ARE NOT RESPONSIBLE FOR THE ACTS OF DENTISTS

We will not interfere with the relationship between dentists and patients. You are free to select any dentist. It is your responsibility to find a dentist. We are not responsible if a dentist refuses to furnish services to you. We are not liable for injuries or damages resulting from the acts or omissions of a dentist.

21. CONFORMITY WITH STATE STATUTES:

Any provision of this Policy that on its effective date is in conflict with the laws of the state in which the *subscriber* resides on that date is hereby amended to conform to the minimum requirements of the laws.

22. CHOICE OF LAW

This Policy shall be construed according to the laws of the Commonwealth of Virginia. This Policy will be automatically revised in order to conform to statutory requirements of the laws of the Commonwealth of Virginia.

23. LEGAL ACTIONS

No legal action may be brought to recover under this Policy within sixty (60) days after written proof of loss has been given as required by this Policy. No legal action may be brought after three years from the time written proof of loss is required to be given.

24. ENTIRE CONTRACT; CHANGES

This Policy, including the *Schedule of Benefits*, and any applicable rider(s) or attachments, and the Application constitute the entire contract of insurance. No change in this Policy shall be valid until approved by an officer of *the Plan* and unless such approval be endorsed hereon or attached hereto. No agent has any authority to change this Policy or to waive any of its provisions.

25. COMPLAINT PROCEDURES

All dental procedures listed herein and under the attached Schedule of Benefits will be provided if, in the opinion of the *Participating Dentist*, they are necessary for the patient's dental health. If a *subscriber* or *dependent* refuses to accept procedures or treatment recommended by his/her *Participating Dentist*, the *Participating Dentist* may regard such refusal as incompatible with the maintenance of the dentist-patient relationship and as obstructing the provision of proper dental care. If the *Participating Dentist* believes that no professionally acceptable alternative exists, then the *subscriber* or *dependent* shall be so advised and the *subscriber* or *dependent* may then select another *Participating Dentist* for treatment. If the *subscriber* or *dependent* refuses to use this option or refuses to accept the procedures or treatment recommended by the second dentist, then the *subscriber* or *dependent* shall use the Complaint Procedure set forth in this section 25. *The Plan* may refuse to provide any further benefits for a particular condition if the *subscriber* or *dependent* refuses to accept a recommended course of treatment.

If a satisfactory dentist-patient relationship cannot be established or maintained with the *Participating Dentist*, then the *subscriber* or *dependent* may select another *Participating Dentist* from the list on Exhibit B, and shall notify the *Plan* and Group. If a satisfactory dentist-patient relationship with the *subscriber* and/or his/her dependent(s) cannot be established or maintained after the selection of three *Participating Dentists*,

during the term of the contract, then coverage of the *subscriber* and his/her dependents will terminate after *the Plan* gives the *subscriber* written notice at least thirty (30) days before termination. A *pro rata* refund of the unearned portion of the premium will be made.

Appeals from *adverse benefit determinations* may be directed to the Quality Assurance Department of DSM USA Insurance Company, Inc., c/o DentaQuest Management, Inc., at P.O. Box 9708, Boston, MA 02114-9708 within one hundred and eighty (180) days.

If the Complaint is of an administrative nature, the Quality Assurance Department may resolve it alone or may assign its disposition to the Member Services or Provider Relations Departments. If the Complaint relates to the performance or nonperformance of dental services, the Quality Assurance Department will attempt to resolve it through discussions with the members' *Participating Dentist*, the member, and if necessary, a consulting dentist. *The Plan* will initially respond to the Complaint within twenty (20) days from the date the Complaint is filed. The disposition of the Complaint shall be communicated orally or in writing to the Complainant within thirty (30) to sixty (60) days of receipt of the Complaint. This time period may be extended by mutual agreement. The date and disposition of the Complaint shall be recorded.

A *covered individual* who is dissatisfied with the disposition of the Complaint may seek a review by the Dental Advisory Board (the "Board") of DSM USA Insurance Company, Inc., c/o DentaQuest Management, Inc., at P.O. Box 9708, Boston, MA 02114-9708. A request for review by the Dental Advisory Board shall be initiated by a written request to the Board within fourteen (14) days following receipt of the decision on the initial Complaint. This fourteen (14) day period may be extended by mutual agreement of the parties. The Board shall have thirty (30) to sixty (60) days to review the case and to reach a consensus. The Board may call members of the Quality Assurance department and consultants and the patient in its review. The Board will then have ten (10) working days to notify the Complainant in writing of its decision. If the Complainant is dissatisfied with the result, the Complainant may request that the Board's decision be reviewed by the President of DSM USA Insurance Company, Inc., within fourteen (14) days following receipt of the Board's decision. The President shall have thirty (30) days to review the record and may call members of the Quality Assurance Department, the Board, consultants, and the patient in this process. The decision of the President shall be sent in writing to the Complainant and shall be considered final. All records concerning a Complaint shall be kept on file for five (5) years.

If a Complaint involves the competency of a *Participating Dentist*, then the Board may consult an independent third party to be chosen by DSM USA Insurance Company, Inc. *The Plan* shall abide by the decision of such third party. *The Plan* shall pay the fees and expenses (if any) charged by the third party.

27. REINSTATEMENT

If the renewal premium is not paid before the grace period ends, the Policy will lapse. Later acceptance of the premium by *the Plan* or by an agent authorized to accept payment, without requiring an application for reinstatement, will reinstate the Policy. If *the Plan* or its agent requires an application for reinstatement, the *subscriber* will be given a conditional receipt for the premium. If the application is approved the Policy will be reinstated as of the approval date. Lacking such approval, the Policy will be reinstated on the forty-fifth day after the date of the conditional receipt unless *the Plan* has previously written the *subscriber* of its disapproval. The reinstated Policy will cover only loss that results from an injury sustained after the date of reinstatement and sickness that starts more than 10 days after such date. In all other respects the rights of the *subscriber* and *the Plan* will remain the same, subject to any provisions noted or attached to the reinstated Policy. Any premiums *the Plan* accepts for a reinstatement will be applied to a period for which premiums have not been paid. No premiums will be applied to any period more than 60 days prior to the date of reinstatement.

28. UNPAID PREMIUM

When a claim is paid, any premium due and unpaid may be deducted from the claim payment.

Part V Filing a Claim

1. EXPLANATION OF BENEFITS (EOB) Each time we process a claim for you under this Policy, a written notice will be sent to you explaining your benefits for that claim. This notice will tell you how we paid the claim or the reasons it was denied. The notice is called an Explanation of Benefits or “EOB.”
2. WHO FILES A CLAIM: *Participating Dentists: Participating Dentists* will file claims directly to us for the services covered by this *contract*. We will make benefit payments within sixty (60) days to them.
3. NOTICE OF CLAIM: Written notice of claim must be given within 20 days after a covered loss starts or as soon as reasonably possible. The notice can be given to *the Plan* at DSM USA Insurance Company, Inc., c/o DentaQuest Management, Inc., P.O. Box 9708 Boston, MA 02114-9708, or to *the Plan’s* agent. Notice should include the name of the *covered individual*, and claimant if other than the *covered individual*, and the Policy number.
4. CLAIM FORMS: When *the Plan* receives the notice of claim, it will send the claimant forms for filing proof of loss. If these forms are not given to the claimant within 15 days after the giving of such notice, the claimant shall meet the proof of loss requirements by giving *the Plan* a written statement of the nature and extent of the loss within the time limit stated in the Proofs of Loss Section.
5. PROOFS OF LOSS: Written proof must be given within 90 days after a loss. If it was not reasonably possible to give written proof in the time required, *the Plan* shall not reduce or deny the claim for this reason if the proof is filed as soon as reasonably possible.
