PROCEDURE

- A. EyeQuest uses good faith efforts to ensure that members and providers are notified of prior authorization determinations made by the organization, in accordance with the federal statutes cited above.
- B. Outreach efforts are made daily, using claims data extracted from EyeQuest claims payment records transmitted to a Subcontractor in accordance with applicable statutory requirements, including but not limited to the HIPAA Privacy and Security Rules.
- C. Calls are recorded, and both live and recorded calls are monitored for quality assurance.
- D. EyeQuest maintains consistent QA standards and performance guidelines relative to verbal outreach and call standards.
- E. All calls are logged, and results including the time and outcome of the call are recorded in EyeQuest's member and provider files and made available to EyeQuest Customer Service and Audit personnel.
